Message From The Head of the Center of Book Affairs

Hello, amazing readers!

You all love to dive into adventures through books, don't you? And guess what? I have some cool books just for you! Each book has exciting stories and fantastic illustrations that will spark your imagination.

So, grab your favorite book (the one you're holding right now!) and invite your friends and family to join in the fun of reading. The more people, the merrier! I hope you find even more joy in reading together.

Remember, my wonderful children, reading is like magic. It can warm your heart and boost your creativity.

So, keep turning the pages! Happy reading!

Foreword

Hello, little adventurers!

Join Iman and Nura for some playtime!

Nura is jumping here and there with excitement,
but why does Iman look a bit tired?

We wonder what happened to him.

Let's join their fun and find out what's wrong with Iman!

Exciting adventures and surprises await!

With much love,

Ridha Noor Amalia and Alif Jannata Hikariza

Nope, I'm Good!

My name is Iman.
This is my friend Nura. We're
having fun at the playground!

I'm feeling thirsty.
But I won't stop now!
I'll drink later.

Nura drinks water.
It takes her some time.
I'll leave her and keep on climbing.

Oh, no.
Why is it so hard to reach the top?

Nura climbs quickly.
Then, she takes another sip.

Nope, I'll drink later.
Sliding is so much fun.

Nura drinks once more.
I keep on playing.

Ugh, this is tough.
Why does my sandcastle
look like this?

Nura drinks a lot.
Now, I'm very thirsty.

I can't wait any longer!
I want to drink.

Yay! I'm feeling stronger now.
Thank you for the drink.

Where is Nura?

Oh, that's Nura.
Let's play again!

Do you know?

Not drinking enough water can make you feel weak, slow down your movements, give you a headache, and dry out your lips. So, make sure to drink enough water!

Author

Ridha Noor Amalia lives in Medan, has nurtured a passion for reading and writing since childhood. This lifelong habit fueled her ambition to become a professional writer. She currently works as a podcast producer at a boarding school in North Sumatra and actively mentors children in literacy at Sanggar Belajar Cerdas, where she teaches reading and writing. Ridha firmly believes that books offer children a fun and accessible way to explore the world. She is committed to continuing her work by writing many stories for her young audience across Indonesia.
